Subject line: Your First Public Speaking Basics Issue

Hello "autoresponder code here",

Welcome to the first Public Speaking Basics. In each issue of this newsletter you will learn how you can become a confident and successful public speaker.

Public speaking is simply the act of talking in front of a group of people. It is deeply rooted in civilizations across the globe. The spoken word is of great value and it has been for centuries. This fundamental method of communication has helped mankind progress through the ages.

Speaking in public is an art. Whether the group is small or large many people find the process completely overwhelming. Effective presentations require clear delivery that includes proper inflection, pauses and emphasis. Some people seem to have the knack for oral presentation while others struggle with this type of activity.
